Protect Confidential Content

Censor paragraphs of text, individual words and table cells.

Redaction introduces a fourth permission level to Confluence, extending the global, space and page permissions with an in-page content level permission.

Export Sanitised Word & PDF

Censored content is excluded from Word and PDF exports.

Redaction sanitizes PDF and Microsoft Word documents, allowing safe sharing with an an expanded and unprivileged, audience.

Safe and Secure Collaboration

Individuals can collaborate around censored sections.

Redaction ensures individuals at every level of the company can collaborate without inadvertently exposing private information with an unprivileged audience.
